**HEALTH AND SAFETY**

Stay informed on Products, Services and Resources that will help you plan for a safe return to your next event. [Click Here](#) for our Health and Safety Resources.

**BOOTH EQUIPMENT**

To improve the overall appearance of the show, IHA requires that all in-line and peninsula exhibitors provide a finished backwall or acceptable backdrop 8 feet (minimum) in height and extending the entire length of the booth space. Exhibitors with backwalls less than 8 feet high may be required to provide acceptable cosmetic masking extending the entire length of the backwall up to the 8 foot minimum height at their own expense. Sidewalls are allowed, but not required. Sidewalls may go to the height and length set for their configuration - there is no minimum height or length. However, it will be the exhibitor's responsibility to have the backside of the sidewalls flush and finished.

To assist the attendees in identifying booths, IHA requires exhibitors to indicate their company name and booth number on signage incorporated into the booth structure.

**UTILITY SERVICES AND ACCESS**

If an exhibitor requires utility services, the utility port must be available in the booth space assigned. For safety, utility services will not be accessed from the aisle.

For inline or peninsula booths, utility services will be supplied at the back of the booth whenever possible. Exhibitors should allow a 1 foot unobstructed corridor in the back and 6 inches on one side of their space to allow passage for necessary cable and maintenance personnel. If a utility corridor is not provided, the booth structure may need to be repositioned. Charges or costs incurred will be the responsibility of the exhibitor.

**EXHIBIT HALL CARPET**

The exhibit area is NOT carpeted; Exhibitors are required to provide an acceptable floor covering in their booth space. However, IHA will carpet the aisles in the following colors:

**Dine + Decor Expo - South Building, Level 3**

**Category Color:** Cook + Bakeware ..... Gray  
Tabletop, Kitchen Essentials + Accents ..... Black Tweed

**Clean + Contain Expo - North Building, Level 3 (Hall B1)**

**Category Color:** Cleaning, Home Organization + Bath Accessories ..... Gray  
Discover Design..... Black

**International Sourcing Expo - North Building, Level 1 (Hall C1)**

**Category Color:** International Pavilion ..... Gray

**Wired + Well Expo - Lakeside Center, Level 3**

**Category Color:** Electrics + Home Healthcare ..... Black Tweed

**Note: No portion of an exhibit structure or floor covering may extend beyond the assigned floor space.**

### HELPFUL HINTS

#### SAVE MONEY

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by Wednesday, February 2, 2022.

#### AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

#### SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

Children under 18 years old are not allowed in the exhibit hall during installation and dismantle.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation.

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.
