

HOUSEWARES ON TV FEATURED PRODUCTS

Infuse™ by Casabella

Infuse's™ SaferShine™ formula is non-toxic when used as directed, free from harmful chemicals and better for the environment. It's the safest way to feel good about cleaning your home!

- The infuse cleaning system starts with refillable spray mops and spray bottles
- You simply fill the container with water and add the cleaning concentrate and go!
- Just refill, reload and reuse!
- The Infuse spray mop is unique in that it eliminates the need to repeatedly buy cleaning liquids in bulky, plastic containers and costly, disposable mop pads that end up in landfills. *One machine-washable microfiber mop pad replaces at least 400 disposable mop pads.*
- Similarly, *one Infuse refillable spray bottle delivers over 40,000 sprays, replacing at least 300 single-use bottles.*
- Comes in formulas for every surface in your house: hardwood floor, multi-surface floor, bathroom, glass & window, and all-purpose
- *If every person in the US replaced just one disposable spray bottle with a reusable Infuse bottle there could be **nearly 16 billion fewer** spray bottles going into landfills and ocean (yes, billion!)*

[Peugeot “Saveurs Les Impitoyables” Whisky Tasting Set](#)

One of the most iconic French brands, Peugeot has been manufacturing home goods for more than 210 years.

- Known for its spice mills, Peugeot has moved into the wine and spirit sectors.
- Peugeot whisky tasting set revolutionizes the art and the method of tasting whisky
- The set enables enthusiasts to enjoy the fragrances in spirits, without the ‘fire’ feeling of the alcohol, thanks to the stylish design of the glass, which features a technical central dome, and an innovative metal cooling base

- The metal cooling base allows spirits to reach their ideal temperature, while preventing the risk of thermal shock, which may otherwise compromise the spirit if tempered with ice
- Just chill base, pour whiskey, wait 2-3 minutes, and enjoy!
- The whisky glass is mouth blown and is also accompanied with a leather coaster. The shape of the glass has been designed specially to develop the aromas of spirits
- And it’s not just for whiskey! It can be used for Cognac, bourbon, tequila, sake, or any cocktails
- Dishwasher safe

MSRP: \$40 (\$100 for Holiday Duo+ set that includes two glasses, two coasters and four chilling bases) – Available at www.us.Peugeot-Saveurs.com/en_us
