GLOBAL INNOVATION AWARDS **PRODUCT DESIGN EXCELLENCE**

Win a Prestigious IHA Global Innovation Award (gia)

The IHA Global Innovation Awards (gia) honor groundbreaking innovation and breathtaking design in home + housewares products. Products receiving this distinction are consistently sought after by both retailers and media searching for the newest and most exciting creations in the industry.

How It Works:

- All products entered into the New Product Showcase by February 2 will automatically be entered into the gia Awards program.
- A panel of experts that includes designers, retailers and news media will determine five finalists in each of 14 categories.
- These finalists will be showcased in displays at The Inspired Home Show in the Buyers Clubs as well as in a brand-new gia exhibit in the Grand Concourse Lobby.
- Finalists will be invited to the gia Dinner and Awards Gala on Sunday March 17 at the Radisson Blu Aqua, where we will reveal a single Global Honoree in each product category.
