

Register for Exhibitor Badges

Be sure to register your staff members for Show badges by selecting the “Exhibitor Badge Registration” task in your IHA Exhibitor Portal.

Each registrant will be responsible for picking-up their individual badge once in Chicago and should be prepared to present a government-issued photo ID.

Avoid the \$100 on-site fee by registering in advance of the Show.

Product Donation Program

IHA has partnered with four local charities to assist exhibitors wishing to donate all or part of their booth at the end of the Show. Donating merchandise not only benefits these charities, but can result in a tax write-off and reduced shipping costs for exhibitors participating in the program.

IHA encourages you to reach out to your preferred charity in advance of the Show and inform them of your intended donation.

Update Your Connect 365 Profile

Keeping your company listing up-to-date is extremely important for buyers to be able to find your company, brands and products before, during and after the Show.

The information entered into Connect 365—the Show’s online search tool—is automatically included in the 2024 Mobile App. The 2024 Mobile App will be the only Show Directory on-site. By completing your company listing, you are giving buyers and news media the ability to search for your company’s products and location on the Show floor.
