

THE INSPIRED HOME SHOW

IHA'S GLOBAL HOME +
HOUSEWARES MARKET

March 10-12, 2026 | Chicago, USA

TUESDAY - WEDNESDAY - THURSDAY

TURKEY

Turkey is a leading producer of high-value industrial products, including kitchenware and housewares for everyday use and professional kitchen equipment for the hospitality industry. The country's kitchenware industry is known for its product innovation, high-quality production and efficient communication, and Turkish kitchenware products are widely recognized for their aesthetic, functional and original design. In addition, Turkish manufacturers are known for their hardworking, flexible and solution-oriented approach, which helps to ensure the high quality of their products.

Explore a selection of these products in the Global Design Points Turkey Pavilion at the The Inspired Home Show in Chicago.

Arhan Grup Talasli Iml. San. Ve Tic. A. S.

Founded in 1992, ORGAZ has grown into one of Turkey's leading manufacturers of LPG equipment, camping products, and small home appliances. With a strong commitment to safety, quality, and innovation, ORGAZ has become a trusted brand for both domestic and international markets.

Our production facilities are located in Istanbul, covering 7,000 m² of indoor and 2,000 m² of outdoor area. From design to assembly, every stage of production is carried out under strict quality control to ensure reliability and long-lasting performance. Thanks to our integrated production structure, we are capable of manufacturing a wide range of LPG products – from regulators, burners, and valves to camping stoves, lanterns, and accessories – all adapted to customer specifications and regional standards.

With over three decades of experience, ORGAZ exports its products to more than 70 countries worldwide, serving a diverse customer base with customized solutions and OEM production options.
