

# **The Better Spreader Every.Last.Drop.**

**The only knife with a built-in squeegee system  
to clean the sticky stuff off of the blade!!!**

## **economic:**

non-stick squeegee system eliminates food waste

## **efficient:**

simple to clean the spreader surface  
with one easy swipe  
serrated edge makes slicing a breeze

## **eco-friendly:**

saves water used to clean the sponge & sink AND  
eliminates the need to use paper towels

## **easy:**

runs on human power  
dishwasher safe

## **effective:**

built-in squeegee system encompasses the entire blade  
so that no food is left behind
