

## Spring 2026 New Product Introductions

HIC, Harold Import Co. showcases an exciting array of new products for Spring 2026.

Visit HIC at The Inspired Home Show, Booth S617

From Mrs. Anderson's Baking and Cat Cora to King Arthur Baking Company and our longstanding HIC Kitchen line, HIC - Harold import Co. introduces an exciting collection of new items to our Family of Brands in addition to new items from our Extended Family of Brands. Below are a few highlights from our Family Of Brands. To view them all, be sure to stop by our booth S617!

### King Arthur Baking Company

The **Petite Glass Sourdough Storage Crock** is a compact sourdough set that includes a glass crock, lid and slim silicone spatula, designed to store enough starter for single loaves and regular feeding. Made from durable borosilicate glass with a stainless-steel lid, the 1-pint usable capacity crock supports easy mixing, clean storage and neat feeding. The glass container allows the fermentation progress to remain visible at a glance, and the  $\frac{1}{4}$ " increments provide visibility of the rise.

King Arthur Baking Company's trio of **ceramic baking pans** are must-haves for any kitchen. The 8.5" Ceramic Square Pan with handles is great for brownies, bars, rolls and casseroles. Thick walls promote even heating while helping prevent overbaking or soggy centers. The oven-to-table pan is microwave, dishwasher and oven safe. Also available is the 9x13" Rectangular Pan with handles, and the fluted edge Pie Plate.

## Mrs. Anderson's Baking

**Mrs. Anderson's Baking Macaron Mat** guides batter placement for evenly-sized macarons. The mat fits standard half-size pans and is made from European food-grade silicone that is reinforced with glass fibers, providing for even heat distribution. The mat surface has printed circles for batter placement. Withstands temperatures up to 480°F. Dishwasher safe.

**Mrs. Anderson's Baking Decorating Comb and Icing Smoother** creates polished bakery-style finishes on a variety of desserts. Made from durable stainless steel, the flat edge helps achieve clean, even surfaces, while the comb edge adds

decorative ridges. Works seamlessly with turntables and cake boards. Measures 6X4".

**Also available from Mrs. Anderson's Baking:** Pierced Colander (2qt. & 5 qt.), Glass Measuring Cup (1,2 & 4 cup sizes), Caviar Key, Disposable Pastry and Icing Bags (18") and the Straight Icing Spatula (4.25").

## Cat Cora

**Cat Cora Mesh Cutting Gloves** are now available child sized. Designed to guard hands during food prep, the gloves offer powerful Level-5 cut protection with a slim comfortable fit without sacrificing flexibility. The breathable, stretchable, construction conforms snugly to most children's hands, ensuring ease of movement. Measures 6.5". Machine washable.

The **CatCora Adjustable Food Ring** shapes perfectly layered appetizers, entrees, desserts, brunch stacks and party presentations with consistent results and professional visual appeal. Made from 1-millimeter gauge 18/8 stainless steel, it is sturdy, durable and will never rust. Oven safe to 480°F. Adjusts to 4 convenient size options. Dishwasher safe

The **Cat Cora Bamboo Salad Hands** feature a finger-like design that makes for ease of use when scooping, gripping and serving ingredients. Lightweight, strong and durable, the Salad Hands are safe for use on nonstick cookware. The contoured shape rests naturally in the hand, and the curve allows for better bowl contact to reach the ingredients from the bottom. Measures 7.25 X 4 X 0.5”

**Also available from Cat Cora:** Large Slotted Pro Burger Turner, Pro Fish Spatula, Soft-grip Kitchen Shears, Herb Scissors.

## HIC Kitchen

The **HIC Kitchen Watermelon Slicer and Fork** is designed for easy slicing and cubing. The dual-ended design features a heavyweight, stainless-steel safety blade that slices smoothly for uniform pieces, and the scoop side leaves the rind intact for use as a serving bowl. Dishwasher safe.

**HIC Kitchen Non-Stick Grill Mats** create a smooth, reusable cooking surface that releases food easily when grilling, roasting and baking. Made from heavyweight nonstick fiberglass cloth, the mats are designed to withstand indirect heat up to 680°F. Measuring 15.75 X 13”, they keep small foods from slipping through grill grates. Durable and reusable, dishwasher safe. Perfect for grills, smokers, ovens (gas, electric, convection), toasters and microwaves.

**Also available from HIC Kitchen:** Safe Grip Bagel Slicer, Pierced Colander (2Qt, 5Qt), Caviar Key and a Collection of Rainbowl Silicone Tools including, Slotter Turner, Spoon-Shaped Spatula, Scraper, Pastry Brush, Spring-Locking Tongs and the Rainbowl Tools Display.

## Fante's

**Fante's Rectangular Pizza and Bread Baking Stone** distributes heat evenly and absorbs moisture from dough for crispier results. The natural stoneware is heat safe to 480°F and is safe for ovens (gas electric and convections), countertop ovens and BBQ grills with indirect heat. Comes with a contoured, chrome-plated steel serving rack. Measures 15X11.8x0.43”.

## Helen's Asian Kitchen

**Helen's Asian Kitchen Panda Chopstick And Rest Set** adds a playful and decorative place to rest the business end of chopsticks between bites. Measuring 8.85” long, the bamboo chopsticks are paired with a ceramic panda holder (2X1X1”) to bring fun and charm to the table. The set includes 2 pairs of chopsticks and 2 holders. Also available in **Fish** design

In addition to the array of new items introduced to our Family of Brands, HIC also presents new items from its extended family of brands including: **PrepWorks by Progressive's** Adjustable Steamer Basket, Fresh Food Chopper and Thin Apple Slicer.

**PLEASE Join us for our 19th Annual Culinary Futures Event**

Tuesday, March 10th
