MEATBALL MAKER PRO

PERFECT MEATBALLS EVERYTIME

MEATBALL X PRESS INTRODUCES THE PATENTED **MEATBALL MAKER PRO** PRODUCT RANGE AT THE INSPIRED HOME SHOW 2026

Chicago, Ill [March 10, 2026] – The 3 part Kitchenware Mold To Make, Shape and Store Perfect Round Equal Size Meatballs will be debuted at the Inspired Home Show 2026 March 10 – 12, at Chicago’s McCormick Place.

Quick and easy to use, the **Meatball Maker Pro** makes a tray of 16 perfect round 1-ounce 1½ inch golf ball size meatballs in 2 minutes and it also has its own unique sculpted stacking storage trays which hold the shape of the round meatballs during storage.

The range of product options include the 16 Meatball Maker / 32 Meatball Maker / 48 Meatball Maker and separate Stacking Storage Tray Sets

Paul Murphy [Founder] explained that “in addition to having a quick and easy to use product to execute what is normally a slow and laborious kitchen task in just 2 minutes, having the neat and compact stacking storage trays to store the meatballs in once made is a real game changer for anybody who loves their meatballs”.

Meatball X Press – Meatball Maker Pro® will be located in Booth S524 in the Dine and Décor in the South Building [Level 3] at the Inspired Home Show.
