

New Products from the Leader in Innovation

Panorama™ Digital Air Fryer

Infused with groundbreaking technology, the Panorama 7-Quart Digital Air Fryer showcases state-of-the-art bladeless fan technology, offering an unprecedented view of the entire cooking process from top to bottom. It is not just a kitchen appliance; it's a testament to culinary excellence, innovation, and the joy of cooking. Available in second half of 2024 in a variety of colors.

Versia™ All-In-One Air Fryer, Grill, Panini Maker, and Multicooker

The multi-functional Versia combines the most popular cooking technologies into one single appliance. It revolutionizes meal preparation for busy cooks while streamlining kitchen counter space. Whether air frying, grilling, making a panini, or slow cooking, this unit comes with 14 functions that allow users to cook various foods with just one touch. Available in 2H 2024.

SoftSnap™ Soft-Serve Ice Cream Maker

The SoftSnap is the world's first all-in-one at-home soft-serve ice cream maker with a built-in cooling system. It can make not only soft-serve ice cream but also sorbet, yogurt, or frozen drinks. All you have to do is follow a simple two-step process: add ingredients, then press a button - the unit does the rest! Available in the 2H 2024.

Current Gourmia Products Available for Review

Gourmia's innovative kitchen electrics are available at retailers including Walmart, Costco, Target, Macy's, Kohl's, Amazon and more.

GAF789 Fry' N Fold Digital Air Fryer

The GAF789 Fry' N Fold combines healthy cooking and convenient storage. It air fries to crispy perfection using FryForce 360° Technology™ without a drop of fatty oil and 10 One-Touch Cooking Presets. It then easily folds within itself for easy storage. Delivering high innovation, performance, and value, it is the perfect for cooks of all abilities.

GPB3125 Digital Blender

The Gourmia Digital Blender can tackle any blending challenge with ease. It has 8 blend programs, featuring popular drinks like smoothies, spreads, and frozen drinks. Each program was designed with strategic pulses and pauses for superior results. Users can choose from 4 distinct speeds + pulse.

GTF1150 4-Slide Toaster Oven Air Fryer

The GTF1150 is powered by Fry Force 360° Technology™, which cooks food quickly and evenly with up to 80% less fat! Its 11 cooking functions allow users to air fry, bake, dehydrate, and more. With the GTF1150, you can easily and quickly prepare a 9" pizza or 4 slides of bread at one time.

GAF824 8-Quart Digital Air Fryer

The unit features 12 one-touch cooking presets, an extra-large 8-quart square basket, a glass window, and interior light, enabling chefs to watch their food while cooking. Its FryForce 360 Technology™ fries food to crispy perfection without a drop of fatty oil, perfect for people who want to cook healthier meals at home

GJ1455 Whole Fruit Extraction Digital Juicer

This juicer has a powerful 800-watt motor, 6 digital speeds, a pulse mode, an extra-wide chute, a 36 oz juice pitcher, and a large pulp to juice all sorts of produce. Its unique Self-Clean Cycle combines the included click-in brush and the micro-mesh to clean the juicer and dispose waste into the pulp container.

GCM4240 All-In-One Espresso Maker

Become a barista in your own home and easily brew your favorite beverages, from espressos and cappuccinos to lattes and Americanos, using this All-In-One Espresso Maker. It comes with a powerful 15-bar pump, a removable 1.2L water reservoir, an integrated milk frother, overheat and overpressure protection, and an auto-clean cycle.

GTF7520 6-Slide Toaster Oven Air Fryer

The French Door GTF7520 accommodates 6 slices of bread, a whole 12" pizza, and even an entire chicken. It has a viewing window for at-a-glance monitoring; its FryForce 360° Technology circulates air without needing oil, and the 19 one-touch presets allow users to make healthy meals for families and friends quickly and easily.
