TRAMONTINA

2024 New Products

Booth # **S 3 8 3 8** (South building)

Tramontina Collection of Stainless Steel Trash Bins with Auto Motion Lids are a modern, touch-free solution for waste management in the home or office. Wave your hand over the battery-powered built-in sensor, and the lid opens automatically, then closes after 5 seconds. Each bin features a removable insert with a bag tuck hole, making cleaning quick and easy. The sleek stainless steel exterior keeps the bin print and stain-free and lends a modern look to any environment.

\$49.95-\$54.95 Available Now

Tramontina All in One Plus is a multifunctional one-pan solution that can sauté, fry, steam, braise and more. This oven-safe pan features an ILAG Swiss Crystal interior coating, made without PFOA, PTFE, or other toxic metals. The stainless-steel magnetic base can be used on any cooktop, including induction. The unique lid handle doubles as a spoon rest. Set includes a nesting steamer basket, multipurpose bamboo tool and trivet. Available in five decorative colors - Sea Salt, Persimmon, Mustard, Blush Pink, and Charcoal.

\$79.95 Available Now

Tramontina Guru™ 4 Piece Starter Set

Cooking that connects, the Guru is a smart portable induction cooktop that links to an app on your smartphone or tablet with recipes, step-by-step video instructions, tips, nutritional data and portions - making it a personal virtual cooking assistant. Featuring over 200 recipes, manage mealtime by ingredient, difficulty, preparation time and cuisine. Fully-integrated temperature sensor and precision scale for added functionality. Includes Guru Induction Cooktop, 9.5-Inch Ceramic Nonstick Aluminum Fry Pan and 4-Quart Tri-Ply Base Stainless Steel Dutch Oven.
