

About Price & Kensington®

The Price & Kensington® story started at the beginning of the 19th century, in Burslem, England when the innovative Price Brothers founded their earthenware manufacturing company. Specializing in tabletop accessories and teapots, the brothers quickly became known for their distinctive designs and the brand enjoyed rapid success. Rich in British heritage and passionate about teapots, the Price & Kensington® brand continues to flourish.

Woodland Collection

Price & Kensington® are delighted to introduce the Woodland collection, adding a whimsical touch to meal times. Featuring woodland illustrations in a hand drawn style, this fully co-ordinating range is inspired by nature, designed to create a warm, rustic atmosphere in your kitchen.

The collection includes ceramic storage, dinnerware and novelty tabletop accessories along with an array of serving items. The ceramic pieces in the range feature pops of color in warm orange, moody blue and soft green to really bring the outdoors in.

MSRP: \$5.00 - \$20.00

Price & Kensington® Gloss Teapot Collection

Inspired by interior trend colors, our range of two & six cup teapots are available in an array of shades that are sure to add a pop of color to any table setting. Designed with a comfortable handle and non-drip spout, our teapots are made from durable stoneware and finished with a high-gloss glaze.

Our teapot collection has been updated with a new deep magenta shade, perfect for the spring/summer season and a classic gloss white available in both 2 cup and 6 cup sizes. The teapots can be used with or without the stainless-steel filter and are dishwasher and microwave safe.

MSRP: \$12.00 - \$24.00
