Typhoon® Eden Collection

Dry Food Storage

An elegant twist on a modern classic, the Eden Collection boasts a contemporary apothecary style with neutral hues and contrasting dark-toned bamboo. The range is on-trend and appeals to storage lovers who require an elevated look with high-quality features.

Made from durable carbon steel, each item within the range is complete with innovative and translucent, reusable cling labels, allowing for complete personalization and organization.

Cleverly designed, the 3 various sized canisters are finished with a silicone seal and a handy acrylic viewing window, allowing you to see the ingredients housed within and for easy replenishing.

MSRP: \$16.00 - \$60.00

TYPHOON®

Typhoon® Living Cream Soap Dispenser and Tumbler Set

Bring style and sophistication to your kitchen worktops or bathroom sinks with the Living Cream Soap Dispenser and Tumbler Set. The set has been designed with wet environments in mind and is complete with a foam pad base to protect worksurfaces.

Perfect for storing hand soap or washing up liquid, the soap dispenser features a 17 US fl oz capacity while the tumbler boasts a generous 20 US fl oz capacity and is ideal for storing items in all areas of the home.

With generous storage capacities and made from durable ceramic, this set is perfect to accessorize both bathrooms and kitchens.

MSRP: \$20.00

TYPHOON®

Typhoon® Otto Black Set of 2 Root Vegetable Storage

The Otto range combines sophisticated dark colors with gold accents to offer elegance and glamour to the worktop. The new Otto Black Set of 2 Root Vegetable Storage is made from durable steel, with a gold window frame detail that allows for personalization of the canisters with the 30 perforated labels included.

These carbon steel canisters feature air ventilation holes that keep contents fresher for longer, designed specifically for storing root vegetables.

With a generous storage capacity, the large canister is the perfect size for storing the more sizable vegetables such as potatoes, while the smaller canister makes an excellent home for onions and carrots.

MSRP: \$45.00

TYPHOON®

World Foods Collection

Typhoon® World Foods Collection has an abundance of serveware to complete your beautifully presented authentic dinner settings. Add to your collection with the latest additions to the range, designed with vibrant colors offering a practical, yet fun way to enjoy your meals.

Noodle Soup Bowl with Chopsticks and Ladle

Serve up a storm with the new Noodle Soup Bowl Set with Chopsticks and Ladle.

Specifically designed with noodle soups akin to Ramen and Udon in mind, this set not only features a generous 27 US fl oz capacity tapered bowl but also a traditional bamboo ladle and handy chopsticks for picking up proteins and finishing broths.

Finished with a colorful intricate pattern to complement East Asian cuisine, the ceramic stoneware bowl perfectly retains heat, keeping your noodle soups hotter for longer.

MSRP: \$30.00

Set of 2 Rice and Soup Bowls

Specifically designed with mouth-watering soups and flavorful rice dishes in mind, this set not only features two 8 US fl oz bowls but also two chopsticks, and two traditional rice and soup spoons with a large, shallow basin that is perfect for sipping liquids and serving rice.

Featuring two coordinating designs inspired by East-Asian culture, this set is sure to complement your dining table.

MSRP: \$30.00

Noodle Soup Bowl with Chopsticks

Crafted to enhance the experience of authentic Japanese dining, this noodle bowl features a stylish blue wave pattern that's complemented by a vibrant yellow rim, adding a striking touch to your table.

The bowl comes with a pair of bamboo chopsticks making the perfect set for enjoying homemade delicious ramen, noodles and rice. The bowl features built-in chopstick resting slots for added convenience and easy storage.

The bowl is produced from fine, durable ceramic stoneware and is finished with a durable colored glaze, which resists chipping and cracking, ideal for frequent use.

MSRP: \$20.00

Curry Bowl and Divider Plate Set

The Typhoon World Foods Multi-Cuisine Bowl and Divider Plate Set has been inspired by global cuisines from all over the globe.

Complete with an 29 US fl oz ceramic stoneware bowl, which is ideal for curries, pasta and chillis, and a shallow side plate with integral wells that are perfect for holding your bread, dips and accompaniments – whatever you choose to pair your meal with.

Finished with a beautiful bright pattern, this set has been cleverly designed to save storage space, with the plate stacking perfectly on top of the bowl.

MSRP: \$30.00

World Foods Fruit Collection

Set of 3 Fajita Dip Bowls

The latest addition to the World Foods Fruits collection is the Set of 3 Fajita Dip Bowls, featuring Tomato, Avocado, and Sour Cream bowls. Perfect for a fun filled Fajita night, these dip bowls come packaged in a gift box, making them a great choice for gifting.

These bowls have been beautifully hand-painted in vibrant colors and are sure to impress loved ones as you construct your favorite foods. The avocado-shaped bowl is naturally designed to hold flavorsome guacamole, whilst the tomato-shaped bowl makes the perfect home for spicy salsas. Finally, the complimentary cream bowl has been designed in an entertaining swirl shape that's ideal for serving sour cream.

Produced from fine, durable ceramic and finished with a lovely glaze, these bowls resist chipping and cracking withstanding the rigours of everyday use.

MSRP: \$20.00
